## BURKE LAW

117 Kendrick Street, Suite 300  
Needham, Massachusetts 02494

As you may know, I began my legal career with the Suffolk County District Attorneys' Office. I tried over 80 jury trials there, including 25 homicide cases, with a conviction rate of over 90 percent. I subsequently opened my private law practice, specializing in the area of police liability.

As a law enforcement officer, you face the potential for litigation that no other occupation is confronted with. I am confident in saying that there is few other lawyers in the state that have the breadth of knowledge and experience in representing police officers that I possess. I have successfully represented literally hundreds of officers in every possible scenario.

From the defense of civil rights cases to 24-hour, on call response to the scene of a critical incident, my office is prepared to meet your most urgent needs.

If you choose to retain me, my office's representation of you will include the following services:

- **24-hour on-call service with personal response to the scene of any critical incident while you are on duty.**
- **Defense in any civil rights suit brought against you, regardless of whether you are eligible for indemnification.**
- **Representation of you in defense of a claim made at the Massachusetts Commission Against Discrimination.**
- **Representation of you at any show cause hearing, judicial inquests, or Grand Jury proceedings resulting from your actions while on duty.**
- **Preparation for and appearance with you at any Internal Affairs interview.**
- **Preparation for and appearance at any Duty Status Hearing regardless of whether or not you were on duty.**
- **Representation at any disciplinary hearing and subsequent appeals to the Civil Service Commission.**

- **Representation at any injured on duty, disability, or retirement related hearings before the Board on Claims.**
- **Available review of any To/From or arrest reports prior to submission.**
- **Legal advice provided for your home, automobile and umbrella insurance coverage needs.**
- **Discounted hourly rates for the defense of you or members of your immediate family in any off duty matter not covered by the terms of this agreement.**
- **Discounted contingency fees for representation of you or members of your immediate family in a personal injury claim.**

These legal services meet or exceed those currently offered by any other labor organization. They do not require union approval and are available to you upon the signing of an attorney-client retainer agreement and payment of a flat fee of \$400 per year.

**You must be a client in good standing prior to the occurrence of any event before representation is provided to you.**

I look forward to having the opportunity to represent you. Please contact me if you have any questions at (781) 455-0707.

Very truly yours,
